Current Employment

Educational Technologist

Columbia University, Language Resource Center, New York, NY (March 2017 – Present)

- Provides leadership in promoting effective use of digital pedagogies for language learning and teaching.
- Actively participates in the national community of applied linguists by attending relevant conferences and contributing original research.
- Assists faculty in designing, developing, and integrating interactive multimedia-based solutions into foreign language curricula. Creates and maintains documentation and other resources to promote teaching with technology.
- Organizes regular workshops focusing on creative and pedagogically effective applications of technology in the language classroom.
- Leads a year-long seminar for language faculty focusing on recent trends and scholarship in language pedagogy and applied linguistics.
- Invites leading experts in the field to share their practices with Columbia's language community.
- Creates analog and digital materials promoting instructional innovation workshops, seminars, and invited speaker talks.
- Works with language program coordinators to promote various practical initiatives in response to the needs of language faculty.
- Coordinates with Columbia IT (CUIT) to facilitate effective implementation of the Center's technological initiatives. Together with the IT Administrator develops and manages the Center's website and various digital assets supporting language instruction at Columbia.
- Supervises the undergraduate assistants working at the Center.
- Oversees the Language Maintenance Tutorial program administered by the Center.
- Manages the Center's grants supporting curricular innovation in the language classroom.
- Runs the Committee of Language Lecturers – a collaborative forum aimed at promoting world language education, exchanging ideas, and addressing challenges faced by Columbia's language community.
- Manages the Center's presence on social media platforms (Facebook, Twitter, YouTube).
- Actively engages in foreign language advocacy and promotion, both at the local and national levels.
